

Financial Aid Application

For Summer 2018

Financial Aid Deadline: March 1st, 2018

What you need to do before you apply for financial aid:

- All children must be registered online.
- A deposit of \$100 per week, per child, must be paid online, along with a non-refundable registration fee of \$50 per child, before the Financial Aid application is submitted.

If you DO receive financial aid from your child's current school (the Bank Street School, the Bank Street Family Center or another private school) you do not need to fill out this form. Instead:

- Submit a copy of the financial aid letter you received, on school letterhead, stating the percentage or allotment you received for the 2017-18 school year.

If you DO NOT receive financial aid from your child's current school:

- Complete the following application as thoroughly as possible.
- Submit this application, along with your most recent tax returns, to the Summer Camp office.

It is only necessary to complete one application form per family. If guardians reside in separate households, each guardian needs to submit a financial aid application and tax information. If there are special circumstances in your family that would help us better understand your financial situation, please include an explanation on a separate piece of paper.

Full payment for all Summer Camp balances are due May 1st, 2018

If you withdraw from Summer Camp before May 1st, and after the financial aid is awarded, you will be refunded your deposit minus the \$50 registration fee per child.

The Bank Street Summer Camp Financial Aid Committee does not review incomplete applications. Awards are granted to students on the basis of family need and availability of aid. Financial Aid awards are granted for one year at a time and must be applied for annually. Financial Aid is a tuition discount based on a family's ability to pay. It is not a loan. However, Bank Street believes that all families should contribute to their child's educational expenses. The maximum scholarship is 45% of the tuition. All aid will be determined by March 15. As there is limited aid available, we encourage timely submission of materials.

Please email or mail this application to the following address:

Part V. Personal Statement

In the past, the Financial Aid Committee has often found its decision made easier when the application is accompanied by a letter in which the parent or guardian makes his/her situation known in a more direct and personal manner than the questionnaire permits. Applicants are, therefore, requested to use the space below to provide any additional information which would further clarify the Committee’s understanding of their financial circumstances. (Attach additional page if needed.)

I affirm that the information I have provided on this form is accurate and complete as of this date, and I agree to advise the School promptly if any such information changes before action is taken by the Financial Aid Committee.
